ABOUT iCEPS

As one of the leading and trusted Malaysia's higher education providers, the Institute of Continuing Education and Professional Studies (iCEPS) is committed to cater to the learning needs of learners from all stages of life across a diverse range of interests. Established in 1973, iCEPS celebrates more than four decades of providing opportunities for working adults to undergo and obtain a quality tertiary education. It strives to nurture knowledgeable and competent learners with high moral standards, responsible, and thus capable of achieving a high level of personal well-being. With the motto of "PREPARATION FOR LIFE", iCEPS aims to create outstanding education through accessible, customized, and flexible lifelong learning programmes.

PROGRAMMES OFFERED

iCEPS offers the following programmes:

1. UiTM Part-time programme.
2. UiTM local franchise programmes are conducted through collaboration with 12 private and community colleges (UiTM affiliated colleges) across Malaysia.
3. Professional development programmes and short courses.
4. Transnational Education (TNE) programmes through multiple modes such as franchise, mobility, joint degree, validation, research activities and others.

iCEPS INTERNATIONAL ACTIVITIES

iCEPS provides authority to manage delivery and programme assessment to international partner(s) through professional courses and its Transnational Education (TNE) activities. iCEPS is fully responsible on quality assurance processes and procedures for programmes that are franchised to international partner(s).

Transnational education refers to the export of education by a higher education provider outside the country in which the provider is geographically located. It encompasses of activities such as franchise, mobility, joint degree, validation, research activities and others. Currently, our focus is mostly on franchise mode.

"Other than 21st Century competencies, students must be socially competent, adaptive competent, digital competent and must have a high level of personal competence. To have these, the curriculum is built to be both industry and community relevant, with future proof content offered through multidisciplinary electives and academic programmes"

Prof. Emeritus Datuk Ir. Dr. Mohd Azraai Kassim, 2020
